CONGRATULATIONS ON CHURCH MEMBERSHIP

To: Mr. & Mrs. Holden of 37 Cornfield St., Milnrow, who were received into membership at St. Stephen's during Family Communion on Sunday, 21st April.

From the Manse

June, 1974

My dear friends,

As I write this the holy days of Whitsun are drawing near and I dare say already questions are being asked as to "where shall we go?" and "What shall we do if the weather keeps fine?".

Whitsun is the Christian Festival that commemorates the outpouring of the Holy Spirit at Pentecost. Sometimes people are tempted to think that God, if He exists at all, is remote and quite unconcerned with the very real world we live and work in. This is not the case at all. The Holy Spirit and actions go together. Here is God at work in this work-a-day world of ours.

Many people have no awareness of the reality and the Presence of God at all, and appear insensible to spiritual things. This I believe, is simply because they are practical folk who do things with things. If an engine has failed they pick up the tool kit and do something about it. When they've done, the engine works again. If only they could realise God at work in such an obvious fashion - they would believe.

God is at work in the most real and definate way. He works all the time. He works through people and through events. We need the eye of faith to see this and we need the trusting spirit to call upon Him and so give Him the opportunity to reveal Himself. Each one of us should have our pwn personal Pentecost - a time when we know that the Holy Spirit of God has come into our life to inspire, to bless, to show His will, and to assure us of His Presence with us.

May God bless you and yours.

Your sincere friend,

ALFRED NASH

OPEN DAY AT ROYLE RESIDENCE

On Tuesday, 30th April, the C.W.M. Committee held a most successful coffee morning and evening at the home of Counc. & Mrs. Royle. The occasion marked the official opening of the East Wing extension and the coffee slops were thrown in the back yard so that people could walk in the grounds (That is an old joke but subtle). Early visitors were invited to participate in such traditional family customs as "slapping-the-paint-on" and "tacking-the-carpet". The house was filled to overflowing during the evening session to see the display of gifts to Counc. Royle from the well known architect John P..... (Scrub that, Dorothy and just write Milnrow Council Rose Bowl).

Despite the feebleness of the humour, the committee wish to thank everyone who helped in any way to make this a successful venture. £12.64 was raised and this along with the £32.72 from Missionary Boxes will take us a long way towards our target for 1974.

IF I FEEL SORRY FOR MYSELF
I SEEM TO HAVE NO END
OF WORRIES, TROUBLES, ILLS AND CARES -
AND NOT ENOUGH TO SPEND.

BUT AT SUCH TIMES I TELL MYSELF
THINGS REALLY AREN'T TOO BAD
I'VE LOTS AND LOTS TO GROUSE ABOUT -
BUT MORE TO MAKE ME GLAD.

SO, WHEN I'M DOWN, I MAKE A CUP
OF TEA, WHICH PROMPTLY CHEERS ME UP.

SENIOR KNITS HELP THE AGED

Janet Law writes:

"A word of thanks to all the happy knitters who helped us to raise money for "Help the Aged" last month (April). I would also like to thank all the people who sponsored us so generously, and I would like them to know that £19 was raised. I received a letter from "Help the Aged" telling me to let you all know that it will go towards a good cause and will help to make many old people happy. We ought to be thankful for what we have got and remember that there are people far worse off than ourselves."

The Knit-in arose out of a project on Old People which Janet undertook at Roch Valley High School. Her findings in the project led Janet to take the challenge to the Senior Department at St. Stephen's who joined her in this fund raising part of the exercise.

Which just goes to show that occasionally education can be put to practical use. Good for you, Janet!

A Thought: Christianity is an exam often passed in theory, but failed on the practical!

PENNINE ROOM

The upstairs room, now named 'The Pennine Room' which has been re-wired and tastefully decorated and furnished, was declared open on the morning of the Anniversary Sunday, May 19th. People were invited to view the room and all expressed gratification at the transformation.

May we express sincere thanks to all who have laboured on this project. We trust that they will find considerable satisfaction from what has been achieved.

THE ALL-SINGING-ALL-DANCING-HORTICULTURAL-AND-MARITIME ANNIVERSARY

There were as many proud parents as nervous children at St. Stephen's on the morning of the 19th May when, after four weeks of hard rehearsing, the children made their charming contribution to the Family Church Anniversary by their presentation of "In Our Dear Lord's Garden". A colourful scene was set as the Beginners and Primary children portrayed the Sun, Trees, Flowers and Butterfies. The Juniors were also in good voice for both the verse reading and the singing and Mrs. Bradbury provided the piano accompaniment.

At the evening service we found ourselves cast out of the garden and all at sea for the lively presentation of "Jonah and the Whale". The choir did very well with this tricky modern piece and there was much fun in the percussion section where cymbals, castanets and drums provided suitable atmospherics. As if all this was not enough we had plenty to look at as well in the shape of a flimsy but mobile boat and an approximate scale working model of a whale which had the most friendly and inviting smile imaginable.

Despite a minor problem when the choirmistress had to help the whale to find its dinner, this was a most commendable effort by all. There are so many people to thank that it is hard to know where to begin, so a hearty thanks go to all concerned, but with a special mention to Mrs. Mildred Howarth who worked so hard to provide the "foliage" for the garden; Rev. & Mrs. Nash for manufacturing monsters; Mr. Arthur Clegg who had a 'whale' of a time on the piano and was also the organist for the day; andto Mrs. Audrey Baines, who a year ago had never conducted a choir and yet on this occasion coped with an "orchestra" (and a wayward whale as well.

It was such a spendid day!

LADIES GUILD

A very happy evening was spent at our May Meeting when Mrs. Saunders, the wife of a Baptist Minister, spoke to us of her adventures whilst working with her husband in the Congo.

*

On going to press the members of the Guild are looking forward to a mystery tour on the evening of June 4th. Let's hope the driver can bring us back safely to Milnrow somewhere within the vicinity of St. Stephen's just a bit before the witching hour of midnight. (We don't want to miss too much sleep!)

*

Don't forget to book Thursday, June 13th, when we shall be joining with other Churches from the District at Bamford for a social gathering. Commencing at 7.00 pm. until 9.00 p.m., there will be a Bring and Buy and White Elephant Stall, with Refreshments and Entertainment during the evening. It will be a good opportunity to get to know and talk with someone from another Church. There will not be a charge other than a gift for the stall. Bus from Rochdale: Bury No. 469 6.40 pm. & 7.10 pm.

*

Any lady interested in joining the Guild please contact either Mrs. Nash at the Manse in Harbour Lane, or Mrs. C. Clough, 10 Bowland Grove, Milnrow. We always have room for more members.

PAPER MONEY

There was a very good response to the recent appeal for waste paper, organised by the Junior Church Staff. The sum of £24.64 was received for the first load and a second collection raised £10.

Grateful thanks to those who contributed and those who collected.

YOUNG MUMS

Happy times are had by all on Wednesday afternoons from 2.0 p.m. If you are feeling you do not have many friends and would like to come along for an hour or so why not do so next Wednesday? Children not of school age are cared for by some of our older friends, and the Mums are free to go in time to meet other children at school. There is a place for you - a welcome awaits you.

Our congratulations to one of our members, Mrs. Helen Smith, of Beechfield Road, on the birth of her little son. Look forward to seeing you with us again, Helen.

Any older lady who happens to be free for a while on a Wednesday afternoon and who feels she could help entertain the little children - why not volunteer to give it a try?

THERE COME ODD DAYS JUST NOW AND THEN
WHEN EVERYTHING GOES WRONG,
THE MILKMAN'S LATE, AND SURE AS FATE
A NEIGHBOUR STAYS TOO LONG.
JOHN'S CAP IS LOST AND JILL IS CROSS,
YOUR VEXED, AND TIRED TOO,
AND YET YOU KEEP ON KEEPING ON -
YOU'VE SIMPLY GOT TO DO
KEEP SMILING IF YOU CAN - AND SAY,
IT'S NOT AS FREADFUL EVERY DAY.

CHRISTIAN AID WEEK

A band of willing workers undertook house-to-house collecting on behalf of 'Christian Aid' recently. May we thank all those who donated and those who collected the sum of £60.03 for this very worth-while cause.

MID WEEK FELLOWSHIP

You are cordially invited to join us on:

June 5th.....June 19th.....& July 19th
All Wednesdays

for our "Mid Week Fellowship" in the Pennine Room.
This is a time for spiritual upliftment and refreshment. Come and pause for a while.

++++++++++++++

A PLANT & SLIDE SHOW has been arranged for 9th August. Now is the time for anyone with greenfingers to start thinking about raising a plant for this event.
We should be pleased if YOU could.

PRACTICAL RESOLUTIONS

I will commit my life to Jesus Christ

I will read my Bible daily.

I will give time for prayers and meditation each morning.

I will subscribe regularly to Overseas Mission work.

I will make my home a Christian home.

I will attend mid-week Fellowship for spiritual upliftment.

I will be more definate in my Christian witness where I work.

I will find ways of studying the meaning of the faith.

Fix on one! Take a vow! Be precise!
Resolve with God's help, that you will keep it.
Why not have a word with our Minister about your resolve. He is waiting to help you.

TRY.....

.....never to come alone to either St. Stephen's or Littleborough if you can bring someone else with you. If each one brought one -- who does not usually come to Church -- what an exceptional opportunity that would give us.

++++++++++++++++

For the families at both St. Stephen's and Littleborough.
Just to keep the old grey matter ticking over.
Kids! why not get Mum and Dad on the go!

1. Name three wood wind instruments.
2. What famous composer became deaf?
3. Who was the smart girl of the song who lived in a humble street?
4. In which song did the heroine take No. 9 shoes?
5. Where is the Passion Play performed and how often?
6. Where is the Colosseum, and when was it built?
7. Who painted the picture 'The Light of the World'?
8. In which zoo can a "zeedonk" be found?
9. Where did the Brontes live?
10. Who was the first man "saved by the skin of his teeth"?

Answers will be in next month's issue.

COVENANT GIVING

The article in last month's messenger on Covenant Giving at St. Stephen's applies also to Littleborough.

As we have all noticed in our homes, everything is rocketing in price and the home of our church family is similarly affected. We would remind you that Covenant Giving does not entail you giving more than you do already (although that would be welcome) it is simply asking you to commit yourself to your present donations by signing a form which the taxman will accept in good faith and pay some of your tax back to the church. Please give this matter some thought and if you want further information, ask Mrs. Peggy Lightfoot for a leaflet.

MARKING

"The best you've done", Well worth repeating", "Really good"..... These were some of the comments heard after the Festival Service which marked the Anniversary Day in April at Littleborough. The morning service, led by Rev. J.K. Ramage of Trinity U.R.C., was entitled "On Your Marks" and it is a great pity that so many people missed such a splendid service.

More people were present in the evening, however, when the Juniors sang "I'm Going to Set The World A-Singing" and the choir rendered "Hail Gladdening Light" and "Lord, For Thy Tender Mercies Sake". Our sincere thanks are extended to organist, Mr. Arthur Clegg and other friends from Milnrow who came to join our worship.

TIME

Mrs. Evans of Bury spoke to the April Women's Guild about "Time" and gave a most thought provoking address for those who have time to think about it. Mrs. Nash presided.

YOUNG PEOPLE'S SERVICE

10.30 am. Sunday, 9th June Rev.A. Nash

Be there - Not to be missed

==========

As you know the church will be closed for the holidays on 23th and 30th June so we wont bother to remind you.

BEFORE YOU DISAPPEAR.....
Missionary Boxes will be collected in at the morning service on Sunday, 16th June.

AND WHEN YOU GET ON YOUR HOLIDAY.....
.....don't forget to bring us somat back. Junior Church are holding a coffee evening and bring and buy sale in September to raise the necessary 30 bob (those were the days) per book for lesson guides for Junior Church teachers. There will be a holiday gift stall at the coffee evening so be righteous when the sun shines on you.

PEOPLE.....
....To Avis we send the hope that she is recovering by now from her operation and wish her a speedy recovery to her usual happy self. She has certainly been in the wars this year but her sense of humour is always on her side.

....To Elizabeth Merrick we send our hearty congratulations on her success in obtaining second place in the solo singing section for 7 to 9 year olds at the North West Co-operative Music Association Festival.

....To Mrs. E. Cockcroft we say thank you for undertaking to be the new sick visitor for the Ladies Guild. If you know of any member who is ill, please let her know.

"DO YOU REMEMBER....."

Mr. J. Lord was the speaker at the April meeting of the Men's Fellowship and the theme of his talk was "Reminiscence"; a walk down memory lane naming faces and places of the Smallbridge of yesteryear. The talk helped many of our members to recollect the incidents and personalities of the good and not-so-good old days.

With the exception of the A.G.M. this was the last meeting of the session and we offer our thanks to all those who have given us such excellent talks in recent months; so full of interest, knowledge and entertainment.

When looking back, yours is the choice
To see and count life's ills,
Or dwell again, in thankfulness
Recalling precious thrills.

IT'S A PICNIC

A family picnic has been arranged for 24th August. Venue and weather prospects might be announced later, but for now just make sure you keep this date free.

LITTLE TREASURES

What a delight it was recently to have the children of the Beginners and Primary Depts. bringing in their Treasures to show us all. Dolls - some large and small - quite a number which spoke - a tractor - a football - and various books. Thankyou for sharing these with us.

The lives of young children are each in themselves treasures indeed. If you know of any children who do not attend another Church or Sunday School, why not bring them along next Sunday so that they too can share the treasure of God's love with us.
